

This program has been designed to compliment and support the social studies requirements of grade three as defined by the Oklahoma State Department of Education.

3.3 The student will analyze the significant events and historic personalities contributing to the development of the state of Oklahoma.

3.3.6 Describe the migrations, settlements, relocations and forced removals of American Indians.

3.3.8 Distinguish between the points of view of both American Indians and settlers regarding the opening of territories in Oklahoma for settlement.

3.3.9 Commemorate statehood Day, November 16, as the joining of Indian and Oklahoma Territories.
